RESPONSE

This is in response to the outstanding Official Action in the above-identified application.

In the outstanding Official Action the Examiner rejected claim 39 under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claim 39 of U.S. Patent 6,613,044.

In response, Applicant has enclosed a terminal disclaimer to overcome the judicially created doctrine of obviousness-type double patenting rejection. This terminal disclaimer is believed
